BIOGRAPHY

Daniel Moshe, the Caring Entrepreneur, is passionate about helping companies grow. Dan is actively involved in several businesses all helping other business thrive. He is founder and CEO of Tech Guru, the Caring Technology Company. Dan combines his passion for business and technology with finance and accounting to help build the accounting firms of the future.

At Strong in Six, Dan is an EOS Professional Implementer and helps leadership teams implement a set of simple, practical tools to help leaders get what they want from their businesses. In his free time Dan enjoys running around and reading with his two sons, volunteering on the Entrepreneurs Organization Central Regional Council in the Accelerator role, CrossFit, and motorcycles.
